

## February Newsletter

Hello Academy Members! Students are working to finish choreography on dance routines. Our dancers continue to impress us each and every year. We are getting stronger, and more advanced! We want to thank all of our students for all their hard work and accomplishments! We also wish to thank the parents for their continued support and encouragement. This is what we have going on in February!

### **My Night Out - Valentine's Day Party February 18th 6:00 p.m. to 9:00 p.m.**

Parents, this is a great opportunity to enjoy Valentine's Day. Let us entertain your kids while you enjoy a relaxing evening. We will provide plenty of Valentine themed games, and arts and crafts. Games include, parachute activities, balance beam, hop scotch, obstacle course, bean bag boogie, dancing, tumbling, and more. Snacks and candy are also included, so please let us know if your child has a food allergy. Boys and Girls ages 3 and up. Non academy members are welcome to participate as well. Be sure to sign up at the front desk. \$15.00 for first child, \$10.00 for each additional child.

### **Performing Company Preview! February 25th 10:00 a.m.**

Come watch our performing company dance for the residents of Hillside Village of DeSoto. This is our competitive student's first performance of the year, and we are very excited to put some smiles on the audience's faces.

### **Amanda's Dance Academy is turning 5 this March!**

We are excited to be celebrating 5 years in business with a Customer Appreciation Week from March 12th - 16th. We are planning a few fun things including giveaways and prizes for our great customers! More details to come, and for the latest information on this event, like us on Facebook at [www.facebook.com/amandadanceacademy](http://www.facebook.com/amandadanceacademy).

### **Recital Logo is posted!**

Be sure and look at the costume boards to see the recital logo for our Heroes and Legends show. This logo will appear on programs, t-shirts, and tickets for the recital.

Thanks,

*Mrs. Amanda Herrmann*
